We don’t need to do a hard sell or give you dozens of adjectives to woo you into saying ‘I do’ in Hawke’s Bay.

All you need to know is we have it all…

Our venues and wedding industry is world-class and the best part, we all love it.

A destination with year-round beauty and a whole lot of sunshine hours. Balmy summer evenings, crisp clear winter days and award-winning wine and food to do justice to any love affair.

Go on… get hitched in Hawke’s Bay.

"Anyone we have ever met from Hawke's Bay has always boasted about their home town is like heaven on earth. ***The weather, the wine and the scenery.***

When we first got engaged we were excited to plan a wedding that offered both us and our guests something different - a new experience.

Recently returning home from travelling and living overseas we felt proud to get married anywhere in New Zealand but we instantly thought of Hawke's Bay.

We had never visited before, so quickly set off to see what this magical place was all about. We were blown away at first sight!

It truly was so beautiful, even more, the local people were so welcoming. We instantly felt the hot, dry weather and thought we have to get married here (as surely we are guaranteed a good day). Next up, we needed to secure a venue and start locking in our local vendors. The venue options were endless and the vendors all insanely talented!

Organising our wedding in Hawke's Bay was a fun experience. We enjoyed the weekends away each time checking out and experiencing something new.

Now we can look forward to wedding anniversaries in your very special side of the country as there's always far too much to do in one trip!"

Stay a while.

Our region boasts an impressive portfolio of accommodation and rental properties.

Across the Bay you will find luxury lodges, vineyard cottages, modern apartments, seaside hotels, cosy bed & breakfasts and everything in between.

Finding the perfect place to wake up the morning after with your full heart (and potential weary head) may just be one of the hardest choices you'll have to make.
